§215.12

submitted no later than 90 days following the last day of the month covered by the report. States shall not receive Program funds for any month for which the final report is not submitted within this time limit unless FNS grants an exception. Upward adjustments to a State agency's report shall not be made after 90 days from the month covered by the report unless authorized by FNS. Downward adjustments shall always be made, without FNS authorization, regardless of when it is determined that such adjustments are necessary. Adjustments shall be reported to FNS in accordance with procedures established by FNS. Each State agency shall also submit to FNS a quarterly Financial Status Report (SF-269) on the use of Program funds. Such reports shall be postmarked and/or submitted no later than 30 days after the end of each fiscal year quarter. Obligations shall be reported only for the fiscal year in which they occur. A final Financial Status Report for each fiscal year shall be postmarked and/or submitted to FNS within 120 days after the end of the fiscal year. FNS shall not be responsible for reimbursing unpaid program obligations reported later than 120 days after the close of the fiscal year in which they were incurred.

(d) *Compliance.* State agencies, or FNSROs where applicable, shall require School Food Authorities and child-care institutions to comply with applicable provisions of this part.

(e) *Investigations.* Each State Agency shall promptly investigate complaints received or irregularities noted in connection with the operation of the Program and shall take appropriate action to correct any irregularities. State Agencies shall maintain on file evidence of such investigations and actions. The Office of Investigation of the Department (OI) shall make investigations at the request of the State Agen-

cy or if CND or FNSRO determines investigations by OI are appropriate.

§215.12 Claims against schools or child-care institutions.

(a) State agencies, or FNSROs where applicable, shall disallow any portion of a claim and recover any payment made to a School Food Authority or child-care institution that was not properly payable under this part. State agencies will use their own procedures to disallow claims and recover overpayments already made.

(b) [Reserved]

(c) The State Agency may refer any matter in connection with this section to FNSRO and CND for determination of the action to be taken.

(d) Each State agency shall maintain all records pertaining to action taken under this section. Such records shall be retained for a period of three years after the date of the submission of the final Financial Status Report, except that, if audit findings have not been resolved, the records shall be retained beyond the three-year period as long as required for the resolution of the issues raised by the audit.

(e) If CND does not concur with the State Agency action in paying a claim or a reclaim, or in failing to collect an overpayment FNSRO shall assert a claim against the State Agency for the amount of such claim, reclaim or overpayment. In all such cases, the State Agency shall have full opportunity to submit to CND evidence or information concerning the action taken. If in the determination of CND, the State Agency's action was unwarranted, the State Agency shall promptly pay to FNS the

amount of the claim, reclaim, or overpayment.

(f) The amounts recovered by the State Agency from schools and child-care institutions may be utilized, first, to make reimbursement payments for milk served during the fiscal year for which the funds were initially available, and second, to repay any State funds expended in the reimbursement of claims under the program and not otherwise repaid. Any amounts recovered which are not so utilized shall be returned to FNS in accordance with the requirements of §215.5(c).

(g) With respect to schools or child-care institutions in which FNSRO administers the Program, when FNSRO disallows a claim or a portion of a claim, or makes a demand for refund of an alleged overpayment, it shall notify the School Food Authority or child-care institutions of the reasons for such disallowance or demand and the School Food Authority or child-care institutions shall have full opportunity to submit evidence or to file reclaim for any amount disallowed or demanded in the same manner afforded in this section to schools or child-care institutions administered by State Agencies.

(h) The Secretary shall have the authority to determine the amount of, to settle, and to adjust any claims arising under the Program, and to compromise or deny such claim or any part thereof. The Secretary shall also have the authority to waive such claims if the Secretary determines that to do so would serve the purposes of the Program. This provision shall not diminish the authority of the Attorney General of the United States under section 516 of Title 28, U.S. Code, to conduct litigation on behalf of the United States.

§215.13 Management evaluations and audits.

(a) State agencies and school food authorities shall comply with the re-

quirements of part 3015 of this title concerning the audit requirements for recipients and subrecipients of the Department's financial assistance.

(b) These requirements call for organization-wide financial and compliance audits to ascertain whether financial operations are conducted properly; financial statements are presented fairly; recipients and subrecipients comply with the laws and regulations that affect the expenditures of Federal funds; recipients and subrecipients have established procedures to meet the objectives of federally assisted programs; and recipients and subrecipients are providing accurate and reliable information concerning grant funds. States and school food authorities shall use their own procedures to arrange for and prescribe the scope of independent audits, provided that such audits comply with the requirements set forth in part 3015 of this title.

(c) Each State agency shall provide FNS with full opportunity to conduct management evaluations (including visits to schools and child-care institutions) of any operations of the State agency under the Program and shall provide OA with full opportunity to conduct audits (including visits to schools and child-care institutions) of all operations of the State agency under the Program. Each State agency shall make available its records, including records of the receipt and expenditure of funds under the Program, upon a reasonable request by FNS or OA. OA shall also have the right to make audits of the records and operations of any school or child-care institution.

(d) In conducting management evaluations, reviews or audits for any fiscal year, the State agency, FNS, or OIG may disregard any overpayment if the total overpayment does not exceed \$600 or, in the case of State agency claims in State administered Programs, it does not exceed the amount established under State law, regulations or procedure as a minimum amount for which claim will be made for State losses but not to exceed \$600. However, no overpayment is to be disregarded where
